NHTSA VIN Coordinator's Notes to the Database -- Subject: Saleen, Inc.

The next page is the PART 565—VIN Deciphering document (dated 07/08/2002) filed with NHTSA on 03/26/2003 by the passenger car manufacturer Saleen, Inc.

(Please note: NHTSA was recently informed that Saleen, Inc. went out of business about 2008).

Saleen, Inc. was assigned the World Manufacturer Identifier (WMI) Code **1S9/842**. This manufacturer's **Part 565—VIN Decoding** document on the next page is incorrect as their WMI Code extension "842" is omitted from VIN Positions 12, 13 and 14, but instead, Saleen, Inc. used "000." Despite this error, we are posting this PART 565-- VIN Decoding document in this database so that the VIN numbers of the passenger cars that Saleen, Inc. produced can be decoded based on this company's official submission. *(Note: When Saleen, Inc. requested and received a WMI Code (1S9/842) on November 7, 2002, the company failed to file with NHTSA a corrected PART 565—VIN Decoding document that would include the "842" WMI extension.)*
